What is a Deposit Guarantee?

It is a written agreement instead of a cash deposit. A Deposit Guarantee lasts for a maximum of 12 months, giving you a year to save your own deposit. The Deposit Guarantee would cover up to a month's rent in the event that any damage was caused at the property.

Suitable Accommodation

We need to check the property is suitable for you.

Do not move in or sign anything until we have agreed to the tenancy. We cannot offer support if you move into the property before we have agreed that we can help you.

Below are the LHA rates that you could be entitled to in the private rented sector. The Shared Accommodation Rate (SAR) applies to anyone sharing a property. This is the maximum you could claim if you are aged under 35.
