It is an option for people not yet ready to move into their own accommodation and who mostly have low levels of support needs. This role is part of the housing management team running the Scheme.</p> <p>This Scheme provides temporary accommodation:</p> <ul style="list-style-type: none">• For people presenting as single homeless in Plymouth• As an alternative to the hostels• Using support provided by other (often the referring) service/s• With visits to each property at least once each week			

Role

The Resettlement Admin Worker (AW) is an ‘office-based’ role with a few main elements:

- Processing and allocating referrals within the team
- Updating database and spreadsheets to record information about houses, rooms, residents, licenses, correspondence etc
- Producing and processing correspondence with residents
- Supporting communication within the team and with others
- Submitting and monitoring Deposit Guarantee referrals
- Supporting the Manager to provide reports on the above and more.

Specific Duties / Responsibilities

1. Referrals and allocations

- The AW receives referrals and leads on responses, including recording and processing all relevant information
- The AW also allocates referrals within the team, according to capacity

2. Client support records

- Overseeing client spreadsheet(s), giving overview of clients who teams are supporting
- Updating information on client database for all Resettlement residents
- Overseeing use of DocuSign for license sign ups
- Process and issue warning letters, as requested by Housing workers
- Applying for birth certificates and other ID, when needed, providing them to the Finance and Admin Worker
- Maintaining IHM contracts and records – license agreements, addendums
- Archiving old records

3. Correspondence

- Using mailmerge to distribute messages to all residents
- Leading on correspondence with residents, in response to issues or other Resettlement staff, producing and responding to written communications
- Taking messages for the team from clients and professionals
- Therefore corresponding on issues from standard procedures to reminders and warnings
- Logging correspondence on the client database

4. Asset work

Maintaining and updating / ensuring appropriate records for properties, inc:

- Gas safety
 - Electrical safety
 - Maintaining and updating house notice boards, including with legally required information via visits.
- Also, liaising with landlords, when needed, re above.

5. Additional tasks

- Overseeing bedding packs for Resettlement (ordering and organising items, making packs up etc)
- Liaising with agencies for food parcels for clients
- Being a contact person for the team, when needed
- Recording minutes at the weekly team meeting
- Supporting team with admin tasks relating to properties
- When relevant, developing systems for and carrying out filing of information
- Carrying out service monitoring and in collation / entry of other monitoring information, particularly through the database, with production of reporting information, inc quarterly and annual service stats (and more); and running queries and reports for manager

6. General / other

- Utilising, developing and maintaining recording and monitoring systems, inc: maintaining records on Path database; submitting regular info / reports
- Building relationships, and ongoing liaison, with relevant agencies, including developing and maintaining referral procedures (taking and making referrals).
- Participation in staff and other meetings, as required
- Other duties as required by line manager or Director
- Compliance with Path Worker Conditions
